**FOR IMMEDIATE RELEASE**

**Touchstone on Lake Muskoka Opens Taste Restaurant and Touch Spa**  
*Casually elegant dining room and tranquil day spa complete offerings at premiere private residence club*

**Bracebridge, ON – October 27<sup>th</sup>, 2009:** Touchstone on Lake Muskoka is pleased to announce the completion of its latest phase of construction with the highly anticipated opening of Taste Restaurant and Touch Spa. The restaurant and spa complete the many full service amenities that define Touchstone's private residence club experience, offering guests and owners the opportunity to enjoy the property year-round.

With a setting as thoughtfully designed as a classic Muskoka boat, Taste's interior space is a welcoming blend of rich mahogany woods and cool blue hues. Offering sweeping views of Lake Muskoka from every vantage point, guests can engage in an intimate fireside chat in the restaurant's cozy lounge area or enjoy a nightcap at the sleek stone bar. The impressive wine cabinet is an international showcase of wines from around the world, while the outdoor cascading deck immerses guests among the natural landscape and is perfect for al fresco dining while overlooking the infinity pool. Taste's cuisine is reflective of Executive Chef Joseph Watters' farm-to-table philosophy, which incorporates fresh, locally produced ingredients into menus designed for seasonal signature dining experiences.

Inspired by the beauty that surrounds it, Touch is a tranquil oasis for locals and guests seeking a rejuvenating spa experience. The soothing LED entrance leads into six individual and couples treatment rooms, some offering outdoor relaxation areas ideal for a lakeside massage. The treatment menu offers a selection of classic and signature services designed to soothe the body, mind and soul including hot stone therapy, reflexology, tropical body wraps, Pevonia facials, manicures and pedicures. Touch's signature service features the ancient healing technique of Ayurvedic Massage – a holistic treatment that eliminates toxins and helps restore balance by stimulating the subtle nerves and the body's energy centres. Touch is also an exclusive provider of Guinot's Hydradermie Lift system, a revolutionary machine-based facial that boosts radiance while smoothing wrinkles and lifting facial contour.

Taste is open for lunch Friday through Sunday and dinner Thursday through Saturday. For reservations, call 705-764-5353. Touch is open Thursday through Sunday from 9 am to 7 pm. Spa reservations can be made by calling Touch at 705-764-5353.
